

DANIEL - Part IV
"The Impossible Dream!"
Reference: **Daniel 2:1-13**
Pastor Larry Webb

Daniel chapter two introduces a dream Nebuchadnezzar had.
Statements that could help us better understand this dream:

ONE Nebuchadnezzar was _____ because of this dream.
verses one and **two** (see screen)

The word "*troubled*" means experiencing a very deep
_____.

Nebuchadnezzar called together four groups of people from his empire:

- _____
This group wasn't the same as modern illusionists but had actual Satanic connections and could do some unexplainable stuff.
- _____
This group used astrological means to predict someone's future.
- _____
This group was considered enchanter and able to cast a spell or curse on someone.
- _____
The Chaldeans were an ethnic group of semi-nomadic people from the southern part of the Babylonian empire (modern day Iraq). Chaldeans were educated in mathematics and were considered the earliest astrologers.

God has condemned all these practices and practitioners.
Reference: **Deuteronomy 18:9-12** (see screen)

verse three (see screen)

TWO the court counselors were _____ to interpret Nebuchadnezzar's dream.
verses four through **thirteen** (see screen)

Dana Coverstone pastors a small Pentecostal congregation in Burkesville KY. Since December, Dana has announced on YouTube that he has had a series of recent prophetic dreams. He has described those dreams and some of those videos have gone viral. Those dreams have focused on congress, the 2020 election, currency shortage, a possible civil war, the pandemic and numerous current and future world events.

Question: How are we to feel about Dana Coverstone's prophetic dreams?

Answer:

Statement One: Dana Coverstone is _____.

Statement Two: Because Dana Coverstone is acting as a prophet and is prophesizing he must meet the biblical prophetic test or be _____.

Reference: **Deuteronomy 18:20-22** (see screen)

Statement Three: The doctrine of the _____ of Scripture means his dreams are unnecessary.

Reference: **II Timothy 3:16-17** (see screen)
