Go Home and Think on These Things!!!

1. In what types of situations do you feel confident? In what types of situations do you feel insecure?
2. In Acts 16 we see examples of people operating with incredible confidence despite the circumstances! Read vs. 9-10 - what is the source of their confidence? Why is this important?
3. In vs. 13-15 we see some keys to unleashing God's power in evangelism. How would these principles be applied in Douglas County?
4. In vs. 16-18 we see an example of a different kind of spirituality. Why do you think Paul reacted as he did? What should we learn from this example?
5. Read vs. 22-30. If you were a bug on the wall, what conclusions would you draw from the experiences of this day? What phrase or thought inspires you the most?
6. In vs. 35-39 we see Paul behaving in a way that seems uncharacteristic to someone who understands that suffering is a part of an authentic Christian life. Why do you think Paul responded in the way he did? What should we learn?
7. All believers are in the process of becoming more like Jesus. To that end, which one of these six principles do you need to focus on this week?
