

of the Holy Spirit. For the promise is to you and to your children, and to all who are afar off, as many as the Lord our God will call.” (2:38-39)

“Be saved from this perverse generation.” **This exhortation certainly needs to be heard afresh and anew in our day.**

### **I. EDIFICATION:**

3000 souls were converted that day and were willing to identify with the church.

The word “edify” means “to build up.”

**A. The believers were edified or built up in the faith.**

**B. The Body of Christ was built up.** God continued adding to the church those who were being saved.

Note that these new Christians “continued steadfastly in the apostle’s doctrine, and fellowship, and in breaking of bread, and in prayers.” They were willing to commit their lives all the way to Jesus Christ.

The Christian faith is meant to be lived out in community known as the Church.

There is a problem in the church today. **A serious problem.** That is the lack of a commitment.

**True conversion involves repentance:** repentance means turning from sin and placing your faith in Jesus Christ. In the NT, conversion is followed by believers’ baptism and becoming actively involved in the life and ministry of the church.

Only as we identify with Christ’s church can true growth and maturity follow.
