Pastor Larry Webb

Throughout church history there have been four principle approaches to understanding biblical prophetic passages; especially understanding the ultimate prophetic book Revelation.

One..._____

This approach argues that passages from different prophetic books such as Revelation use symbolic language to represent different historical occurrences, nations and _____ from throughout the church age.

Two..._____

There are two forms of this position: _____ (consistent) _____ and _____.

Basic preterism teaches that prophetic passages, primarily those from Jesus discourse in **Matthew chapter twenty-four** and those from **Revelation** were fulfilled during the first century **at or before** the Romans devastated Jerusalem in _____ AD.

Full preterists teach that _____ the end time prophecies from Revelation were fulfilled during the first century.

Partial preterists teach that _____ end time prophecies from Revelation were fulfilled during the first century but some are still future.

Three..._____ or spiritual position

This approach _____ most prophetic passages especially throughout Revelation.

Four..._____

This position teaches the end times prophecies are still _____ to be fulfilled.
