FOUR... The _____ Principle

Definition: The word “coordinate” means to _____ in a correct order; to place into a proper sequence and to synchronize.

verse two and **verse four** (see screen)

Nehemiah used two specific strategies in assigning people a place to work on this wall:

One - Nehemiah assigned work locations according to _____.

verses twenty-one through **twenty-four** (see screen)

Three reasons why Nehemiah wanted to assign places of responsibility according to residence:

- People that were assigned sections of the wall near their homes would be more _____ and as a result would be more highly motivated.
- People would _____ have to _____ to another part of the city to do the job which would have wasted valuable time.
- In case of an attack, the people would not be tempted to leave their post, but would stay and _____ their families and homes.

Two - Nehemiah assigned work locations according to _____.

verse one (see screen)

There are some specific questions we need to ask ourselves in order to see just where we might fit in terms of ministry.

- 1) Do my spiritual _____ fit what I’m doing?
- 2) Do my _____ fit into what I’m doing?
- 3) Does my educational _____ and training fit into what I’m doing?
- 4) Do my _____ fit into what I’m doing?
- 5) Do I _____ to do what I’m doing?
- 6) Do I do _____ at what I’m doing?
- 7) Do _____ think that I do well at what I’m doing?
- 8) Do others have different _____ about what I’m good at?
- 9) Do I have definite areas where I’m seeing obvious personal _____ and do those areas fit into what I am doing?
- 10) Do I have definite areas where I have _____ in the past and do those areas fit into what I’m doing now?

FIVE...The _____ Principle
