

THE RESURRECTIONS

Reference: Miscellaneous Scripture

Pastor Larry Webb

There are two distinct and different resurrections: a first resurrection and then a second resurrection

Reference: **Revelation 20:6** (see screen)

Definition: The resurrection is the action or fact of someone's dead corpse being made alive _____ to die again.

There were resurrections throughout both Old and New Testaments, (**I Kings 17:22; II Kings 4:36-36, 13:21; Luke 7:15; John 11:44**, etc.) but those weren't permanent resurrections.

The precise moment a Christian dies a separation happens; the invisible and nonmaterial person inside him (i.e. soul and or spirit) is separated from his visible and material body. That soulish part of him is then brought to heaven.

Reference: **II Corinthians 5:8** (see screen)

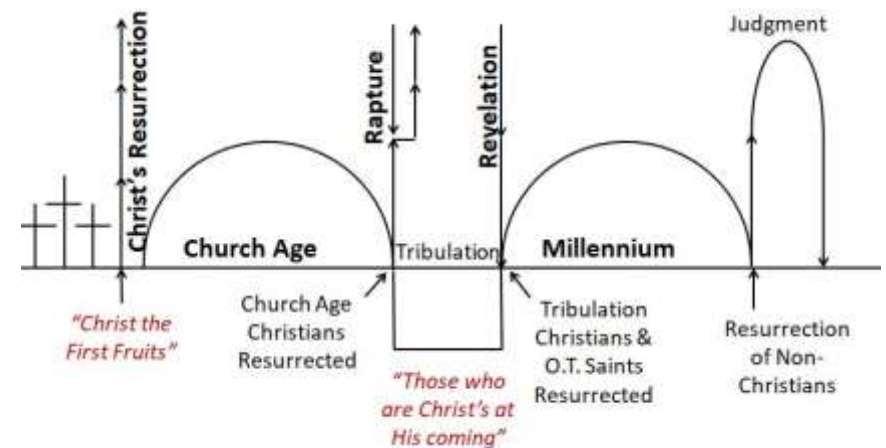

But the resurrection is focused on someone's deceased body.

Paul comments on the different resurrections in:

Reference: **I Corinthians 15:20-26**

Christ's resurrection was the _____ - _____.
verse twenty (see screen)

Footnote: Another often ignored fact is that there was a sizable resurrection that happened immediately after Jesus resurrection.
Reference: **Matthew 27:50-53** (see screen)

Christian's are resurrected at Christ's _____.

verse twenty-three (see screen)

There are three different stages to the resurrection of Christians:

- Stage one: resurrection of _____ Christians
Reference: **I Thessalonians 4:16**
- Stage two: resurrection of _____ period Christians
Reference: **Revelation 20:4**
- Stage three: resurrection of _____ saints
Reference: **Daniel 12:2; Isaiah 26:19-20**

SECOND RESURRECTION:

Non-Christians are resurrected to be judged and condemned to an eternal _____.

Reference: **Revelation 20:11-15**

Resurrection is part of a spiritual transaction called "glorification".

Definition: Glorification is a theological word that means our bodies are ultimately going to be changed into a _____ sinless form resembling Jesus that is then prepared to survive in heaven.

Reference: **Philippians 3:20, 21; I John 3:2** (see screen)

Let me mention six statements that describe our resurrected glorified bodies. Remember our resurrection bodies are going to resemble Jesus resurrected body so if we can discover what Jesus body was like post resurrection then we can better understand what our bodies will be like in heaven.

ONE is that our resurrected glorified bodies retain their _____.

TWO is that our resurrected glorified bodies are _____ as opposed to spiritual.

THREE is that our resurrected glorified bodies will execute _____ human functions.
