Up to this point we have addressed some of Satan's names and titles and in this segment we're addressing some of his representations.

REPRESENTATION ONE...Satan is called the great \_\_\_\_\_.  
Reference: **Revelation 12:9a** (see screen)

REPRESENTATION TWO...Satan is called an angel of \_\_\_\_\_.  
Reference: **II Corinthians 11:14** (see screen)

REPRESENTATION THREE...Satan is called a roaring \_\_\_\_\_.  
Reference: **I Peter 5:8** (see screen)

**Question:** Can a Christian be demon possessed?

**Answer:** \_\_\_\_ a Christian \_\_\_\_\_ be demon possessed.

**Reason:** Demon possession implies \_\_\_\_\_ and Satan cannot own a Christian.

The reason Satan cannot own a Christian is because \_\_\_\_\_ owns the Christian.

Reference: **I Corinthians 6:20** (see screen)

Christians can be demon oppressed. The actual word oppression means "\_\_\_\_\_ or bothered and burdened with troubles." So, demonic oppression means demonic harassment and demonic \_\_\_\_\_.

One biblical case of demonic oppression (not possession) would be \_\_\_\_\_.

Reference: **I Samuel 16:14-23** (see screen)

Some problematic symptoms from demonic oppression are:

- \_\_\_\_\_ - i.e. sleeplessness, nightmares, severe anxiousness, self-mutilation, addictions, and different sicknesses and diseases, etc.
- \_\_\_\_\_ - i.e. this apathetic spiritual attitude and even anger toward God; paranormal phenomena such as doors opening and shutting, hearing footsteps and even voices, etc.
- \_\_\_\_\_ - i.e. unusual financial pressure, especially if there is a rapid succession of unexpected financial disasters.

- \_\_\_\_\_ - i.e. frequent outbursts of anger, emotional instability going from high highs to low lows often, hopelessness and abnormal fear and paranoia, etc.

There are certain things someone can do to invite demonic oppression:

- Past or present participation in \_\_\_\_\_ such as: Ouija boards, tarot cards, astrology, séances, necromancy (contacting dead spirits) and divination.
- Past or present participation in \_\_\_\_\_: **I Timothy 4:1** states false religions ultimately teach the doctrines of demons.
- \_\_\_\_\_ use: Drugs can alter the state of someone's mind and that can be an invitation to demonic influence.
- Occult \_\_\_\_\_ techniques: The new age teaching that we should empty our minds and then repeat some continuous strange mantra can result in losing personal control of our faculties and is an open invitation to demonic influence.
- \_\_\_\_\_ from other people: Curses and spells can be focused on someone and if not countered can have a negative and sometimes deadly effect.

The solution to Satanic oppression, harassment and trouble is to \_\_\_\_\_ Satan.

Footnote: Nowhere in Scripture are we told to rebuke Satan and bind Satan.

Reference: **Matthew 16:19; Revelation 20:1-2; Zechariah 3:2; Jude 9; I John 4:4** (see screen)

**Question:** How do we resist Satan?

**Answer:** We resist Satan through \_\_\_\_\_ ourselves to God in the particular situation where Satan is a threat.
