

## COMPLAINING

Reference: miscellaneous Scripture  
Pastor Larry Webb

---

This is a society of complainers and the church is not immune to that practice. The Greek word translated as complaining is said to be an \_\_\_\_\_ word, i.e. a word that sounds like its meaning.

Definition: **Complaining** means to express dissatisfaction with \_\_\_\_\_ that aren't wrong and about which we are doing nothing to change...James MacDonald

Definition: A **grievance** means to express dissatisfaction with circumstances believed to constitute an \_\_\_\_\_ or is just grounds for a protest.

### The Parable of the Laborers

Reference: **Matthew 20:1-16** (see screen)

The BIG IDEA from this parable is the blessings that result from salvation are exactly the \_\_\_\_\_ for all people.

The second idea from this parable is that \_\_\_\_\_ is unproductive

The cure to complaining is the principle of **positive replacement**.

Definition: The principle of **positive replacement** means the negative is \_\_\_\_\_ and then \_\_\_\_\_ with something positive.

In this case: \_\_\_\_\_ is the negative and \_\_\_\_\_ is the positive.

Jesus illustrated the principle of **positive replacement** in:  
Reference: **Matthew 12:43-45** (see screen)

Jesus primarily used this example to teach that moral reformation is \_\_\_\_\_ because people that are morally good see themselves as acceptable to God and that's not necessarily the case!

HOW to develop an attitude of gratitude:

- realize our indebtedness to \_\_\_\_\_ and then to \_\_\_\_\_
- verbalize our \_\_\_\_\_ as often as possible
