Manufactured alternative theories used in an attempt to discredit the biblical account of the resurrection:

ONE is the \_\_\_\_\_ theory.

TWO is the \_\_\_\_\_ theory.

THREE is the \_\_\_\_\_ theory.

FOUR is the \_\_\_\_\_ theory; also called the \_\_\_\_\_ theory.

FIVE is the \_\_\_\_\_ body theory.

SIX is the \_\_\_\_\_ theory or \_\_\_\_\_ theory.

This is the oldest theory and the only theory mentioned in Scripture. This argument is that Jesus disciples stole his body to deceive people into thinking He had been resurrected.

Reference: **Matthew 28:11-15** (see screen)

The lie was that the disciples \_\_\_\_\_ the body.

Problems with this theory:

**One** is the problem of the \_\_\_\_\_.

**Two** is the problem of the \_\_\_\_\_.

Reference: **Matthew 27:62-66** (see screen)

**Three** is the problem of the \_\_\_\_\_.

Reference: **Matthew 27:59-60; Mark 16:4** (see screen)

**Footnote: John 20:1** supplies more evidence that the disciples didn't move the stone (see screen).

**Four** is the problem of the \_\_\_\_\_.

Reference: **John 20:3-7** (see screen)
