There are two end time beasts discussed in **Revelation 13: antichrist (verses one through eight)** and the **false prophet (verses eleven through eighteen)**.

Notice that John referred to the false prophet as “*another beast*”. The word “*another*” in the original language is the word “*allos*” and means “another of the same \_\_\_\_\_”.

That means the basic character of both beasts is the same. These men are both committed satanic personalities.

**Warning:** \_\_\_\_\_ the mark of the beast will have serious consequences.

During the second half of the tribulation period (42 months) antichrist is going to establish a one world government and a one world economic system. In order to become a member of that economic order and participate in the transfer of goods and services people are going to need an identification marking called the mark of the beast. That mark is the number of his name, 666. There are differing opinions as to what that number means.

The New Testament was originally written in an ancient form of Greek called koine Greek. Each letter of that alphabet corresponds to a particular number.

The first letter *Alpha* (Αα) corresponds to the number \_\_\_\_.

The second letter *Beta* (Ββ) corresponded to the number \_\_\_\_.

The third letter *Gamma* (Γγ) corresponds to the number \_\_\_\_.

The fourth letter *Delta* (Δδ) corresponds to the number \_\_\_\_.

The fifth letter *Epsilon* (Εε) corresponds to the number \_\_\_\_.

The ninth letter *Iota* (Ιι) corresponds to the number \_\_\_\_.

The tenth letter *Kappa* (Κκ) corresponds to the number \_\_\_\_.

The thirteenth letter *Nu* (Νν) corresponds to the number \_\_\_\_.

The eighteenth letter *Sigma* (Σς) corresponds to the number \_\_\_\_.

The last letter *Omega* (Ωώ) corresponds to the number \_\_\_\_.

It has become a common practice and prophetic game to attempt to determine the name of the antichrist through a practice called “Gematria.”

**Definition:** Gematria is the practice of assigning a numerical value to each letter of a word or name and then combining those numbers together to arrive at a \_\_\_\_\_.

## This mark of the beast is:

- the antichrist’s mark, that \_\_\_\_\_ someone with antichrist
- the actual number 666, not a representation of something else
- a mark similar to a \_\_\_\_\_
- is visible to the naked eye
- \_\_\_\_\_ someone and not \_\_\_\_\_ someone
- recognizable not questionable
- voluntary, not \_\_\_\_\_ meaning someone isn’t deceived into receiving it
- used after the rapture, not before
- needed to \_\_\_\_\_ and \_\_\_\_\_
- pushed and promoted by the false prophet
- received by non-Christians and rejected by Christians
- punishable in \_\_\_\_\_

**Warning:** \_\_\_\_\_ the mark of the beast will have even more serious consequences.
