

PEACE. FOR ALL

Acts 10:34-48

Pastor Daniel Flynn, 01/11/2026

I. Acts 10:34-35. God shows no favoritism

Two things make a person acceptable to God and Peter covers both of them.

A. Fearing God.

B. Doing what is right. Righteousness means two things: to BE right and to DO right.

To neglect **DOING** righteousness can lead to two serious errors.

A. Can lead to false security.

B. It can also lead to loose living.

To neglect **BEING** righteous. This also leads to two serious errors:

A. It can lead to self-righteousness and legalism.

B. This type of thinking can also lead to being judgmental.

So righteousness in the Bible is both being righteous and **DOING** righteousness.

II. Acts 10:36-37 God's Word wasn't meant for Israel alone.

A. Jesus is Lord of all.

B. He declared that Jesus had been talked about throughout all Judea.

C. Peter said that Jesus began to preach God's Word in Galilee right after John's ministry of baptism.

III. Acts 10:38-39 Jesus is God's anointed Savior. "Christ" literally means "the anointed One of God."

IV. Also found in verse 39 is that Jesus was crucified, slain, and hung on the cross

V. Acts 10:40 Peter tells us that Jesus was raised up by God

VI. Acts 10:41 shares the fact that Jesus appeared after His resurrection to some people who were chosen and appointed to be witnesses.

There are 3 things I want to mention about Jesus' resurrection appearances.

A. God showed Jesus openly

B. Jesus appeared to chosen witnesses.

C. The witnesses ate and drank with Him

VII. Acts 10:42 Peter's sermon tells us that Jesus will judge the living and the dead of all nations.

Acts 10:43 - **The 8th and 9th points of Peter's sermon are found in this verse.**

VIII. The 8th point is that Jesus is the prophesied Messiah.

IX. And the last point is that Jesus brings forgiveness of sins

This was the message. And look at the results.

Acts 10:44-48.

The door to the Gentiles was opened. If there was any prejudice before, it was surely gone from that group on that day.
